

## MESSAGE FROM THE PROVOST

"Cruisin' for a Cure" team members in front of Old Red.

Thanks to the UTMB Cancer Center and the "Cruisin' for a Cure" team for helping to make the Susan G. Komen Race for the Cure®, held on Saturday, October 3, a highly successful event. UTMB had more than 150 team members, making UTMB first among 38 healthcare teams in number of participants. In addition, team members raised more than \$20,000 for the Komen Foundation, resulting in a #6 ranking among 1,194 teams. We can still move up in the rankings as donations are being accepted through

November 15. For more information, visit [UTMB United: One Cause – One Team](#). Special thanks to team leader, Kathy Bass, and honorary chairs, Teri Wenglein-Callender and Marsha Ullrich, for their dedication and enthusiasm in leading UTMB's efforts this year.
